DENNIS WEBER Obituary

WEBER Dr. DENNIS MITCHELL WEBER Dr. Dennis Mitchell Weber, 72, of Palm Beach Gardens, FL and Rockville, MD passed away on Tuesday November 24, 2020, after a courageous battle with pancreatic cancer. For more than four years after his diagnosis, Dennis lived life to the fullest and remained a rock for his family. Dennis was born in New York, NY on October 20, 1948, to Annette and Jerry Weber, and spent his childhood in New York, North Carolina, and Maryland, where he attended High Point High School. Dennis graduated from the University of Maryland in three years and subsequently attended the Ohio College of Podiatric Medicine, where he received a DPM. After marrying his college sweetheart, Ellen Goldberg Weber, and completing his residency in Detroit, MI, they settled in the Maryland suburbs of Washington DC, where they raised a family and Dennis practiced podiatry for over 40 years. Dennis was a leader in his field, serving two terms as the President of the Maryland State Board of Podiatric Medical Examiners. Dennis was predeceased by his parents, Annette and Jerry Weber. He is survived by his wife of 50 years, Ellen, son and daughter-in-law Marc and Cortney Weber, daughter and son-in-law Julie and Eugene Gligor, grandchildren Jackson and Caden Weber, brother Jeffrey (Suzan) Weber, nephews Brian (Shauna) Weber and David Weber, niece Jessica Weber. He will also be deeply missed by the family dogs Griffin, Addie, Maisie, and Charlotte (of which only Griffin was truly welcome in his home!) Dennis had many passions in life, including boating, golfing, poker, and Jaguar cars. He loved a good practical joke, was an avid reader, and always looked good in a suit or blazer. Dennis took enormous joy in his grandchildren, introducing them to his favorite activities and engaging in theirs, including playing hairdresser for granddaughter Caden. Above all, Dennis is most remembered as an incredible friend, who spent a lifetime amassing a group of friends who became family. Everywhere he went, people were drawn to his kindness, quick wit and willingness to talk for hours or have an intellectual debate on almost any topic. A private memorial will be held for family and close friends with a celebration of Dennis' life planned for a future date. In lieu of flowers, donations may be

made in Dennis' memory to the Pancreatic Cancer Action Network (www.pcan.org). anything to drink. She is a type 1 Diabetic so we saw him often. When he left his private practice and joined a group, I knew he must be planning to retire, but when his diagnosis was shared it was shocking.

I am deeply saddened by his passing and only wished he never had to experience this horrific disease. Hopefully for such a Kind, gentle person his time in retirement was enjoyed until the end. We certainly miss him, he was truly one of the greats. Please know we will always remember him with deep appreciation and fondness.

an optimistic and joyful person with a wonderful sense of humor. I am shocked and deeply saddened by this news and that Dennis did not have the long life he so richly deserved.

There are many things one can say about Dennis, a true mensch. Foremost in my mind is that Dennis truly cared about other people. He was sincerely interested in how his friends and family were doing. "How are you?" :How is Joe Doing". During a poker game: "Hi Dad. I am playing cards, but I always have time to speak with you." He will be missed. On behalf of his poker buddies. "May He Rest In Peace."
